Dear Paul,

Enclosed are ~~the~~ copies of the letter John Davis wrote me and my response.

He is as kind to himself as you were.

He says it is all just "unclear language."

I didn't find his language unclear.

Just his alleged facts.

The former San Jose reporter now on the Memphis Commercial-Appeal phoned me, he said at your suggestion, when working on a story commemorating the King assassination.

I didn't note his name and forgot it.

If he did an story and sent you a copy I'd appreciate it.

I got the clear impression he wanted to skin Bud Fensterwald.

Hope all is well with all of you,

Harold
